Shaun left early yesterday, so I wasn't able to get it to him before he left. My plan was to give the updated version to Betsy on Monday. Carl, I think Cindy B gave more comments after I thought we were done. Let me know on Monday if updates are needed from Dee's last version.

Thanks!

If Darcy didn't already send it to you then yes, but could you delete the comment boxes we left in for Darcy before you forward?

I'm still checking emails, so not sure. So should this last version be sent up to Betsy to add and where should it go in Shaun's book?

Please advise.

Debra

Did Darcy forward this paper to you yesterday to send to Betsy for the RA next week briefing book?

Thanks

Darcy

Dee and I made revisions to respond to your comments and to add some other additional information for Shaun.

Ex. 5 - Deliberative Process

I believe the plan is for this paper to go into Shaun's briefing book today for next week.

Thanks Dee! See the attached – I think we should give him a bit more background info as well as being very clear on what we want him to inform or ask of the AAs he'll be meeting with.

Let me know if you have questions.

Thanks!

Hi Darcy,

Attached are the talking points that I put together as requested by Shaun on Monday. Alexas and Cindy just finished the revised analysis, so I was waiting to update the numbers before sending this over. Let me know if you have any questions.

Thanks,

Dee
